### Procedures

- We ensure that the existence of the pre-school is widely advertised in places accessible to all sections of the community.
- We ensure that information about our pre-school is accessible - in written and spoken form - and, where appropriate, in different languages. Where necessary, we will try to provide information in Braille, or through signing or through British sign Language or with an interpreter if available.
- We arrange our waiting list in birth order. Children may start Pre-School at or after 2years 6months. We are eligible to take 2 year old funded children. We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our pre-school and its practices in terms which make it clear that it welcomes main care givers
- We describe our pre-school and its practices in terms of how it treats individuals, regardless of their gender, special educational needs, disabilities, background, religion, ethnicity or competence in spoken English.
- We describe our pre-school and its practices in terms of how it enables children with disabilities to take part in the life of the pre-school.
- We monitor the gender and ethnic background of children joining the group to ensure that no accidental discrimination is taking place.
- We promote children's welfare preventing radicalisation and extremism
- We make our equal opportunities policy widely known.
- We consult with families about the opening and closing times of the pre-school
